

# Playful Digital Alpha Shapes...

1

1. Add photo to page
2. Click on Cut & Fill ribbon
3. Click on Shapes in the cutter options
4. Select your Digital Alpha Shape and position it over your chosen photo, resize to suit.
5. Make sure the inside of the Digital Alpha Shape is shaded (if not click invert shaded area)
6. Click on "Copy the shaded area" - white square handles will appear on top of the photo. Your shape appears to be hidden.
7. Click inside the area indicated by the handles and drag to a blank space on the page your Playful Digital Alpha shape should now be visible.
8. Apply filters and surfaces to 'decorate'. ie 3D Filter; Posturize Filter; Block Surface... as used in the samples below.

Carved Wooden Bracket

Sparkly Star Sequins
